CompTIA PDI+ Certification + CertBlaster

Publisher: CompTIA Press

Code: 1426099959

ISBN: 1426099959

Version: 1

Course Length: 2 days (12 hours)

Audience: Document imaging professionals who support printing and document imaging devices

Prerequisites: CompTIA A+ certification or equivalent experience recommended

What's in *CompTIA PDI+ Certification + CertBlaster*:

This ILT Series course will prepare students for the CompTIA PDI+ Certification exam, which validates the knowledge and skills necessary to support printing and document imaging devices including printers, copiers, scanners, multi-functional devices and fax machines. This vendor-neutral certification recognizes a technician's understanding of basic electromechanical components and tools, print engine and scan processes and components, color theory and connectivity/networking. It also covers business skills such as customer service, professionalism, safety and environment. In addition, CompTIA PDI+ is relevant to seasoned technicians in the printing and document imaging industry interested in an industry-accepted credential that validates their knowledge and skills.
